

## Quick Calculator

Use this chart for a quick calculator of potential pre-tax retirement income created from a pool of available liquid assets earning a 5% rate of return.

<u>Assets</u>	=	<u>Income</u>
\$1,000,000	=	\$50,000
\$1,500,000	=	\$75,000
\$2,000,000	=	\$100,000
\$2,500,000	=	\$125,000
